Your Support WILL Make a Difference.

The International Door Association, in an effort to reinforce the value of education, has established the IDA Scholarship Foundation (501C3). IDA members, immediate family, employees and their immediate families are eligible to receive monetary awards to be applied toward four-year college and university degrees, two/three-year associate degrees, vocational degrees or certifications and trade school courses.

Contributions Are Tax Deductible!

The foundation is financially healthy, thanks to contributions from the IDAExpo® and the *International Door & Operator Industry* magazine. But more can be achieved with your support.
